
4. LOU (Lodged Order Upload)

4.1. LOU (Lodged Order Upload) Overview

- (a) **Effective Date.** The United States Bankruptcy Court for the Central District of California began accepting electronic orders for ALL judges on November 19, 2007.
- (b) **Separate Program.** Although LOU is separate from the CM/ECF program, it is incorporated into the CM/ECF menu, making it easy for CM/ECF users to find and select.
- (c) **Noticing.** Orders that are uploaded via LOU, and then subsequently entered via the Court's Calendar and Order Generation program ("CIAO!"), will generate either an electronic or manual notice from the Bankruptcy Noticing Center (BNC) upon entry in the court's Case Management (CM) system. For more information on orders noticed through BNC, please refer to section 4.6 of this manual.
- (d) **Order Format.** Electronic orders must be uploaded in MS-WORD format only. Using WORD enables a judge or his/her chambers to edit a lodged order. The order will be entered in PDF format onto the docket and can be accessed normally. If you attempt to upload the order in any other type of format (e.g. PDF), you will receive an error message.
- (e) **Requirements.** The following procedures include the steps for preparing an order which include the **new service and format** requirements for the submission of electronic orders. All orders uploaded electronically using the court's Lodged Order Upload (LOU) program must comply with all of these new requirements.
- (f) **Every Order Uploaded will be Assigned a Document Number.** At the end of each submission you will receive a confirmation which contains the assigned document number, the relevant case information, and the date and time of submission. Please print and retain a copy of the confirmation should you need it for future reference.
- (g) **Help Desk.** If you have any questions, comments or suggestions related to electronically uploaded orders, please contact us at *ECF_Support @cacb.uscourts.gov*, or call the CM/ECF Help Desk, at (213) 894-2365, Monday through Friday from 9:00 a.m. to 4:00 p.m. (excluding federal holidays).

4.2. Order Preparation [LBR 9021-1 and 9004-1]

(a) **Prior to Electronic Submission.** When preparing a proposed order prior to electronic submission, you must comply with the following procedures. Non-compliance may result in your order being marked as “Unused” (i.e. rejected), and you may need to lodge a new order, further delaying the entry of such order (See below section 4.3(e) - (g) of this Manual).

(b) **Service of Proposed Orders:**

- (1) **Notice of Lodgment.** If the proposed form of order or judgment is one that, according to the LBRs, must be served on one or more parties in interest (other than the presiding judge), on the same day that you lodge the order, you must file through CM/ECF a notice of lodgment (NOL) of the proposed order (which includes a Proof of Service). Use LBR form F 9021-1.2.BK.NOTICE.LODGMENT if the order will be entered on the docket in the bankruptcy case itself; use LBR form F 9021-1.2.ADV.NOTICE.LODGMENT if the order will be entered on the docket in an adversary proceeding. Attach a copy of the proposed form of order to the NOL and serve the NOL and the attached order on the parties entitled to receive service of the proposed form of order under the LBRs and the presiding judge in accordance with the following procedures. Service of the NOL with a copy of the proposed order attached is the only way that you need to serve a proposed form of order. (If you are not required under the LBRs to serve a proposed form of order on anyone, you are not required to file an NOL with regard to that order.) **DO NOT ATTACH A PROOF OF SERVICE TO THE PROPOSED ORDER AT THE TIME IT IS LODGED** either via LOU or at the Intake window, and do not separately serve the proposed form of order.
- (2) **Mandatory LBR Form 9013-3.1.PROOF.SERVICE.** Comply with LBR 9021-1 by attaching at the back of your NOL and proposed order a Proof of Service page, using court mandated LBR form F 9013-3.1.PROOF.SERVICE or the exact language and format of that LBR form.
- (3) **Electronic Signatures.** An electronic signature (“/s/” followed by typed name) is allowed on the Proof of Service of Document page attached to the NOL as long as the person whose electronic signature is used is employed at the office/firm of the attorney whose CM/ECF live login password will be used to lodge the proposed order being served.
- (4) **Limited Service Required.** Pursuant to LBR 9013-1(o)(3)(B), and LBR 9021-1(b)(3)(A), a proposed order must be served only upon any person, entity, or attorney who filed an opposition to the moving papers, or who was required to sign approval of a stipulation that resolved the motion or other request for relief. **There is no obligation to serve the proposed order on any other person or entity,** including a case trustee or the United States trustee.
- (5) **Organizing Contact Information on Service List.** Comply with LBR 9021-1(b) when organizing the list for the **Proof of Service of Document:**

- (A) Service by NEF on CM/ECF Parties. Whenever a NOL is filed via the court's CM/ECF system, CM/ECF users are served via an NEF as noted in section 3.8(b). Please list these recipients in Category 1 on the Proof of Service.
- (B) Service by Mail, Email, or Facsimile. Parties other than CM/ECF users must be served by regular or overnight mail, or email/facsimile if permission has been obtained to serve documents by email/facsimile. Please list these recipients in Category 2 or 3 on the Proof of Service.
- (6) Judge's Copy. The presiding judge must always be listed on the proof of service for any NOL filed unless that NOL is an NOL concerning an order granting or denying a motion for relief from the automatic stay, or a motion to impose or continue the stay.

(b)(c) Format and Content of Order (See order example in section 4.4(c), Exhibit 1 of this Manual).

- (1) Caption Page. All orders require a caption page in compliance with the formatting instructions identified in section 2.5(c) of this Manual:

Caption Page	
A.	Leave top right-hand corner (lines 1-7) blank, for use by clerk;
B.	Properly caption all parties, including debtor and adversary parties;
C.	Properly format the case or adversary proceeding number including the initials for the presiding judge;
D.	Title the order to be consistent with the request for relief, including, for example, "Order Granting Motion for..." or "Order Approving Stipulation for..."; Do not include the word "Proposed" in the title of the order.
E.	Include a hearing date on all orders on which a hearing is or was scheduled, or when a future hearing date will be affected.

- (2) Content of Order.

- (A) Comply with Ruling and Mandatory LBR Form. The content of any order must comply with the ruling made in court or the request for relief made via a non-hearing motion. If a court mandated LBR form order is required, do not change any of the pre-included language of the form. The exception would be the judge's signature line as noted in section 4.2(b)(2)(B)(c)(2)(B) below.
- (B) No Signature Line for the Judge. Do not include a signature line for the judge. Instead, at the end of the content of the order, insert the symbol "###" to indicate that no further language is needed. Follow the example set forth below in section 4.4, Exhibit 1 of this Manual.

- (C) Leave Space for Judge's Electronic Signature. On the page which contains the symbol "###", please leave approximately 3 inches at the bottom of the page for placement of the judge's electronic signature.
- (3) Proof of Service. **Do not prepare a proof of service. See Notice of Lodgment procedure under section 4.2(b)(1).**
- ~~(A) Electronic Signatures. An electronic signature ("/s/" followed by typed name) is allowed on the Proof of Service of Document page, as long as the person whose electronic signature is used is employed at the office/firm of the attorney whose CM/ECF live login password will be used to lodge the proposed order being served.~~
- ~~(B) Mandatory LBR Form 9013-3.1.PROOF.SERVICE. Comply with LBR 9021-1 by including a Proof of Service page of the proposed form of order, including for orders related to unopposed motions or other unopposed requests for relief. The proof of service must be on court mandated LBR form F 9013-3.1.PROOF.SERVICE or must use the exact language and format of that LBR form.~~
- ~~(C) Organizing Contact Information on Service List. Comply with LBR 9021-1(b) when organizing the list for the **Proof of Service of Document**:~~
- ~~(i) Proposed Order on Unopposed Motions. Pursuant to LBR 9021-1(b)(4), there is no obligation to serve a proposed form or order on any person, entity, or attorney who did not file an opposition to the moving paper(s). This includes a case trustee or the United States Trustee.~~
- ~~(ii) Proposed Order when Opposition to Motion was Filed. Pursuant to LBR 9021-1(b)(3)(A), a proposed order must be served only upon any person, entity, or attorney who filed an opposition to the moving papers. **There is no obligation to serve the proposed order on any other person or entity**, including a case trustee or the United States Trustee.~~
- ~~(iii) Judge's Copy. The presiding judge must always be listed on the proof of service, except for proposed orders listed below under section 4.2(c)(4), "Exceptions." See Appendix F for instructions.~~
- (4) Notice of Entered Order and Service List.
- (A) Mandatory LBR Form F 9021-1.1.NOTICE.ENTERED.ORDER. The last part of a proposed order must be a "Notice of Entered Order and Service List" using mandatory LBR form F 9021-1.1.NOTICE.ENTERED.ORDER, or the exact format and language of that form.
- (B) Duty to Serve; Service Methods. Pursuant to FRBP 9022, the court has the duty to transmit a copy of an order only to the U.S. trustee, and to deliver notice of entry of an order only to contesting parties or as the court directs. Allowable service methods are in FRCP Rule 5(b), and include service via

NEF. When organizing the **Notice of Entered Order and Service List**:

- (i) ~~Court Service.~~ The court's policy is for the court to send a copy of an entered order to the debtor and debtor's attorney, the U.S. Trustee, and any person or entity who filed a paper in connection with the relief requested.
- (ii) ~~Limited Service List.~~ Only include those persons or entities who are entitled to service of the entered order. See LBR 9021-1(b)(1)(D), LBR 2002-2(a), FRBP 9022 and other relevant FRBP to determine persons or entities entitled to service of the entered order.
- (iii) Proper Categories. Organize the **Notice of Entered Order and Service List** using the three categories identified below:
 - a. 1. Served by the Court via Notice of Electronic Filing ("NEF"). List the names and e-mail address of attorneys (including movant's counsel) who ~~qualify under "Court Service"~~ **are entitled to notice of the order** and are listed in CM/ECF on the Electronic Mail Notice List to receive NEF transmission. The ~~United States Trustee~~ and case trustee will always be in this category.
 - b. 2. Served by the Court via United States Mail.
 - (1) **Bankruptcy Case.** The debtor will always be in this category. Also list the ~~names and mailing addresses of persons, entities, and/or attorneys (including movant's counsel) who qualify under "Court Service"~~ **but are debtor's attorney if that attorney is** not listed in CM/ECF on the Electronic Mail Notice List to receive NEF transmission. **DO NOT** list names that are served via NEF, nor any other person/entity, including other lien holders, co-borrowers, or persons/entities who merely file a request for special notice.
 - (2) **Adversary Proceedings.** All parties and attorneys who are not on the Electronic Mail Notice List to receive NEF transmissions, and whose complete address is on the adversary proceeding docket.
 - c. 3. Served by the Lodging Party. **A party or attorney who is entitled to service of the order, but is not in Category 1 or 2 must be listed in Category 3.** Also, Recognizing that a movant may wish for additional persons or entities to receive a copy of an entered order, and balancing this with limiting the court's duty to serve notice of entry of an order, the movant may serve a copy of the entered order on additional person or entities and list the names and method of service in this section. Movant must then file a proof of service certifying that service has been rendered.

NOTE: A judge's copy of this proof of service is not required.

(iv) Identifying NEF Recipients. To identify persons or entities who are to be served electronically, log into CM/ECF (**not** PACER). Access the information by selecting *Utilities > Miscellaneous > Mailings... > Mailing Info for a Case > (insert Case/Adv number) > Submit*. Electronic recipients will be listed under "Electronic Mail Notice List."

~~(v) Identifying BNC Recipients. To identify persons or entities who are to be served either by U.S. Mail, or electronically by the BNC, log into CM/ECF (**not** PACER). Access the information by selecting *Utilities > Miscellaneous > Mailings... > Mailing Info for a Case > (insert Case/Adv number) > Submit*. Persons or entities to be served via BNC will be listed under "Manual Notice List."~~

~~(c) Serving a Judge's Copy. Except as provided in paragraph (4) below, pursuant to LBR 9021-1(a), within 48 hours of a proposed order being lodged via LOU, the following items must be served as a Judge's Copy according to the instructions in Appendix F of this Manual:~~

~~(1) One Copy. One copy of the proposed order;~~

~~(2) LOU Receipt. One copy of the LOU confirmation receipt (See section 4.3(d) of this Manual, for a sample confirmation receipt); and~~

~~(3) Envelopes.~~

~~(A) Pursuant to LBR 9021-1(a)(1)(D), the proposed order must be accompanied by stamped, addressed envelopes for all persons or entities who will be served by the court non-electronically to include only the debtor (and debtor's attorney, if any), movant (or movant's attorney, if any), and all parties (or their attorneys, if any) who filed an opposition or other objection to the relief requested; or,~~

~~(B) If the order being lodged is of the type listed in section 4.6(a)(6) of this Manual, List of Orders Served through the BNC, **DO NOT** send envelopes to the court.~~

~~(4) Exceptions. A Judge's copy is not required if the proposed order lodged via LOU is:~~

~~(A) An order granting or denying a motion for relief from the automatic stay; or~~

~~(B) An order confirming a Chapter 13 plan.~~

(d) Orders Approving Stipulations. Orders Approving Stipulations ~~should~~ **must** be lodged separately from the stipulation according to the following procedure:

(1) Obtain all necessary signatures on the Stipulation.

(2) DO NOT prepare a combined Stipulation and Order.

- (3) File the Stipulation via CM/ECF with all necessary signatures, so that the only electronic signature is the signature of the CM/ECF registered attorney who is filing the stipulation via CM/ECF.
- (4) Prepare a separate Order Approving Stipulation in MS-WORD format.
- (5) In the text of the Order Approving Stipulation, indicate the complete title of the stipulation and docket number entry of the stipulation.
- (6) When uploading the electronic order, select the docket entry for the Stipulation as the relevant Motion type.
- (7) Comply with all procedures in this section, 4.2.

(e) Orders on Section 362 Motions re: Relief from Stay, Imposing or Continuing Stay.

- (1) All Section 362 Orders are served electronically by the court via NEF to trustees, the United States trustee, and to the attorneys who are on the Electronic Mail Notice List for the particular bankruptcy case.
- (2) All Section 362 Orders are served by U.S. Mail ~~via the BNC to on~~ debtor (and debtor's attorney, if any), and to persons or entities who are on the Manual Notice List for the particular bankruptcy case **unless the attorney receives electronic notice via NEF.**

(f) Orders Granting Motions that Contain an Attached **for Approval of Settlement Agreement, Sale Agreement, or Other Agreement or Plan.** Orders granting Motions for orders approving sale agreements, settlement agreements or other agreements or plans must be submitted ~~separate from any agreements~~ according to the following procedure:

- (1) ~~DO NOT~~ **Do not** attach any agreements **or plans** to the order;
- (2) ~~If the order needs to reference a particular settlement agreement or sale agreement, make the reference:~~

~~(A) At the end of the title to the order by referencing the docket entry number of the motion; and~~

~~(B) In the text of the order by referencing the docket entry number of the motion AND the exhibit and page number of the agreement;~~

~~(3) Prepare a separate order in MS-WORD format;~~

~~(4) Comply with all procedures in this section 4.2.~~ **Refer in the Order to the filing date and docket number of the motion or other filed document to which the agreement was attached and provide the exhibit number or letter used to refer to the agreement in that document.**

(g) Exhibits and/or Attachments to Order. There are several methods for uploading an exhibit and/or attachment along with your electronic order. Exhibits and/or attachments must comply with the following:

- (1) PDF Format. A PDF formatted exhibit and or/attachment lodged along with the electronic order (such as signature pages of parties indicating approval of form of order, or a property description), must not exceed 10 pages unless otherwise approved by the presiding judge. ~~Refer to instructions set forth in section 4.3(c) of this Manual.~~
- (2) MS-WORD. An exhibit may be uploaded in MS-WORD format as part of the proposed order as long as it does not exceed 10 pages. **DO NOT** upload a MS-WORD image.
- (3) Other Exhibits. If an exhibit exceeds 10 pages, the exhibit must be ~~filed separately from the order~~ **filed and referred to** according to the following procedure.
 - (A) Exhibit is attached to the motion.
 - (1) In the order, refer to the motion and the number or letter that identifies the exhibit.
 - (B) Exhibit is not attached to the motion.
 - (1) Convert the exhibit to a PDF document and file it via CM/ECF by selecting the docket event "Exhibit";

4.4. Quick Reference Guide for LOU

(a) Uploading a Proposed Order.

- (1) A proposed form of order electronically uploaded to the court via the LOU program must contain the following three elements:
 - (A) The proposed form of order;
 - (B) ~~Proof of service that the proposed form of order was served on all required parties, including a judge's copy; and~~ **Notice of Entered Order and Service List.**
 - ~~(C) Notice of Entered Order and Service List to be used on the final entered order once signed by the judge.~~
- (2) ~~All three~~ **Both** elements are to be uploaded as a single document in Microsoft Word format (version 2003 or older). (See *Exhibit 1* in this section of the Manual).
- (3) **If allowed,** ~~A~~an exhibit and/or attachment may be uploaded in PDF format along with the order. (See section 4.2(g) of this Manual).

(b) Identifying Service Lists.

- (1) ~~All electronic orders entered through the court's Calendaring Information and Orders program ("CIAO") trigger a BNC Certificate of Notice indicating that the notice requirement to parties listed on the CM/ECF Mailing List for applicable main case or adversary proceeding has been fulfilled. If a party is a registered CM/ECF user they will only receive a Notice of Electronic Filing ("NEF") of the entered order.~~
- (2) ~~As explained below, a~~ **The debtor and debtor's attorney, if any, party** will receive **from the court** a BNC notice ~~or an NEF~~ of the order.
- (3) If a party requires notice and will not receive a BNC notice or an NEF, ~~the serving party must provide the court with a stamped, pre-addressed envelope for manual service for each additional party~~ **the lodging party must put the name and address of that party in Category 3 of the Notice of Entered Order and serve a copy of the entered order on these parties. (After this service has been accomplished, the lodging party should file a proof of service to this effect within 72 hours.)**
- ~~(34)~~ The CM/ECF Mailing Information ("Mailing List"), accessible from ~~one of the selection options~~ **the Utilities menu** in CM/ECF, can be queried by both external CM/ECF users and internal court staff to determine how parties will receive notice of the entered order. **[Graphic removed intentionally.]**
